# Digilock Cabinet Lock
Curve Keypad

A modern electronic lock with a slim 0.33" (8.5 mm) profile and a durable all-metal housing in brushed nickel or black finish. The device ensures intuitive operation thanks to visual and audio indicators, an advanced auto-unlock function, and full ADA compliance. It can operate in either Shared Use or Assigned Use mode, with management through the Basic or Advanced system. Easy to install in both new or retrofit applications, the lock runs on four AA batteries and meets IP55 durability standards.
