

## Industrial battery

### MW Power 12V 18 Ah

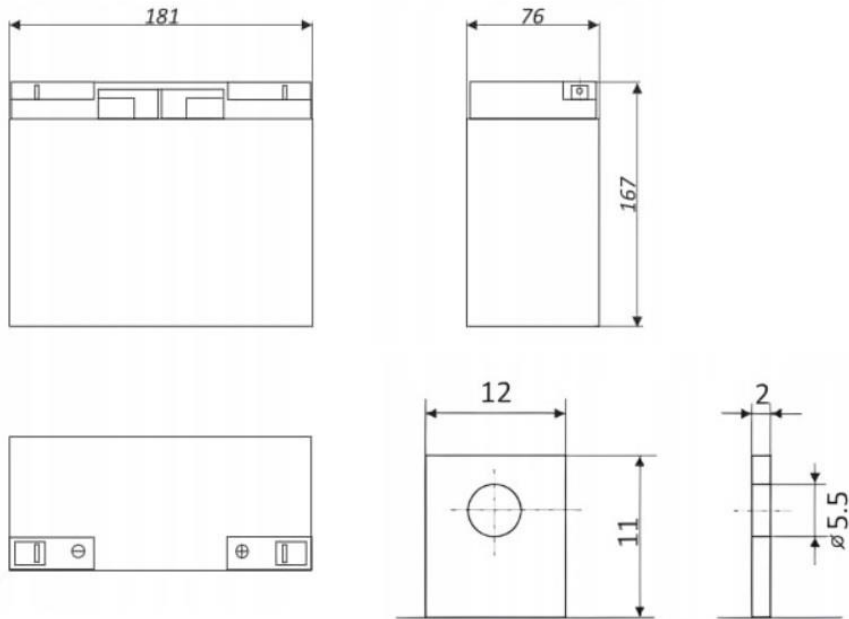

#### INDUSTRIAL BATTERY

The MW Power 12V 18 Ah industrial battery is a maintenance-free VRLA battery built in AGM technology, designed for backup power systems. Its sealed construction and ability to operate in any position ensure reliable performance and long service life.

#### MAIN PRODUCT FEATURES

- ⊕ AGM (VRLA) technology – sealed and maintenance-free design
- ⊕ Backup operation – ideal for emergency power systems
- ⊕ Long service life – designed for 3–5 years
- ⊕ Low internal resistance – high efficiency
- ⊕ Operation in any position – flexible installation

## TECHNICAL DATA

Model	MW Power 12V 18 Ah
Type	VRLA AGM battery
Nominal voltage	12 V
Rated capacity	18 Ah
Design life	3–5 years
Charging voltage (buffer)	13.5 – 13.8 V
Recommended charging current	1.8 A
Max charging current	5.4 A
Length	181 mm
Width	77 mm
Height	167 mm
Terminals	T3 (12 mm)
Case material	ABS
Operating temperature	wide range
Weight	4.7 kg
